

April 26, 1932.

Mr. William Grothe,
Manila, Utah.

Dear Sir:

RE: UINTAH DIST.

I have your letter of April 21 with reference to difficulties in distribution and before I can be of much assistance it is necessary for me to have additional information.

It would appear from your letter that you are a stockholder in the Sheep Creek Irrigation Company. If this is an incorporated company your rights are governed by the Articles of Incorporation and the By-laws, as to which I have no information.

In cases of this kind the State Engineer is willing to write to the party causing the difficulty and if you will let me have the name and address of the President of the Sheep Creek Irrigation Company I am willing to write him a letter asking that the difficulty be corrected.

Yours very truly,

State Engineer.
